In order to improve the service to members the riding club has recently updated its website: www.corbridgerc.co.uk. The website contains all of the riding club activities, including the current newsletter as well as details of future events. It also has a dedicated section for members access only. Clearly, communicating via the internet is much more efficient and economic for club administration as it saves vast amounts of time, paper and postage. We would hope that those who can use this method will do so. However, we do appreciate that not everyone has access to the internet or maybe does not want to be contacted by email. Please indicate on the application form below if you do not want to be contacted by email and we will send you information by post.

Please read the Rules of the Club, then complete and send the form below to...
